Symphony

Designed to enhance the visual language of the table, Symphony brings colour, texture and clarity into perfect harmony. The thin glass walls of the Symphony series, adorned with delicate vertical textures, lend the collection an aesthetic touch. The series offers three new coloured tumblers in Orange, Teal and Bordeaux.

Key features include:

Design: The Series are pleasant to handle, universal shape and offer a stable feel.

Functionality: The carefully curated design make it perfect for water, soft drinks, cocktails or aperitifs.

Versatility: These colours are the result of extensive trend research and help to create the right atmosphere – in daylight as well as ambient lighting.

Durability: High break resistance, lead free crystal glass, dishwasher safe and finished on the outside with organic ink.

SYMPHONY COLOURED TUMBLERS
